

Get Involved | Restaurants for Raphael House

Since 2010, local restaurants have shown their support for survivors of domestic violence by participating in our annual dine-out fundraiser **Restaurants for Raphael House**.

On the event date, **participating businesses donate at least 15% of their profits** to support our life-saving services. Every \$100 raised provides 24 hours of safety for a parent or their child in our emergency shelter. We hope you will join other generous eateries and partner with us on **Wednesday, May 15th** for our tenth annual event!

Our restaurant partners are very important to us, so we provide a great deal of support to ensure this event is mutually beneficial. **Please see below for what Raphael House offers, and what we ask of partnering businesses in return.**

Raphael House of Portland provides:

- Promotional materials, including posters, menu inserts, flyers, and table tents.
- A website referral list of participating restaurants with active map.
- Publicity about the event to widely promote your restaurant's involvement and recruit potential diners using promotional emails, social media, local media outlets, and via our community partnerships.
- Social media posting content and info sheets for your staff.
- Periodic communications with you about the event.

What we ask of our Restaurants for Raphael House partners:

- Contribution of at least 15% of profits from Wednesday, May 15th, 2019
- Use of restaurant name and logo in promotion of the event.
- In-restaurant promotion using provided materials, including a poster and small flyers given with menus (or at counter) on the event date.
- Promotion of event via social media starting 2 weeks prior to the event.
- Information about event shared with staff and managers, so they can answer basic questions.
