TOGETHER WE
CAN BUILD A
BRIGHT FUTURE
WITHOUT
DOMESTIC
VIOLENCE!

For over 45 years, Raphael House of Portland has helped domestic violence survivors find the safety, hope, and independence they deserve. Our emergency shelter provides a safe haven to adults and children of all gender identities fleeing abuse, and we proudly offer ongoing, wraparound support designed to move families from crisis to stability – so they can end the cycle of violence and thrive long-term! We pair these direct services with Prevention Education that teaches thousands of teens each year about equitable relationships and consent – to stop violence before it starts.

Today, more families than ever before need our life-saving services. Survivors across the community and 1,845+ adults and children who access our programs each year rely on Raphael House. Your support is essential to ensure these families can stay safe, stable, and housed!

“Thanks to Raphael House, we’re alive and we’re safe. I couldn’t have done it without all the support and help that I got – and continue to get – from everyone here.”

—LARA, survivor and mom of 4
