Audited Financial Statements

For the Year Ended June 30, 2024

#### INDEPENDENT AUDITOR'S REPORT

To the Board of Directors Raphael House of Portland

### Opinion

We have audited the accompanying financial statements of Raphael House of Portland (a nonprofit organization), which comprise the statement of financial position as of June 30, 2024, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Raphael House of Portland as of June 30, 2024, and the changes in net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Raphael House of Portland and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Raphael House of Portland's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

## Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Raphael House of Portland's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Raphael House of Portland's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

#### Report on Summarized Comparative Information

McDonald Jacoba, P.C.

We have previously audited Raphael House of Portland's 2023 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated January 3, 2024. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2023, is consistent, in all material respects, with the audited financial statements from which it has been derived.

#### 1. NATURE OF ACTIVITIES

Raphael House of Portland (the Organization) is a nonprofit human service agency established in Portland, Oregon in 1977 to assist families in crisis. The Organization's mission is: "We believe everyone deserves to live a life free of violence. The mission of Raphael House is to engage our entire community in non-violent living through advocacy, education, community outreach, and providing a safe haven from domestic violence."

Assistance includes shelter, housing, advocacy, information and referral services, community education, and other specially designed services in support of the Organization's programs. These services include emergency food, clothing and transportation, emergency financial help, youth programs, and support groups. The Organization's programs are supported primarily through contributions and government grants.

The Organization's programs are as follows:

## **Emergency Services**

During 2024, 89 domestic violence survivors stayed at the Organization's emergency shelter an average of 3.1 months. It is confidentially located and can house up to 38 survivors (adults and children) at one time. The shelter is a safe and comfortable environment where survivors can access the resources necessary to help build a violence free life.

#### Housing Programs/Support:

## Home in Hand / Hoqar en Mano Housing Program

The Organization operates a scattered housing program. Survivors and their children are assisted through housing and ongoing advocacy for a period of up to 24 months. Additionally, emergency housing vouchers have housed about 27 families.

### Shelter to Stability

The Organization provides support to survivors moving out of the three Multnomah County Domestic Violence Shelters and into housing by helping them pay off previously incurred housing debt or debt that is preventing them from being housed or supporting survivors in relocating for housing opportunities. This program also provides advocacy and peer lead economic empowerment learning sessions called SWAG (Survivors are Worthy Awesome and Gutsy).

## Youth Program

The youth program provides advocacy, safety planning and developmentally appropriate activities for the dependents of emergency shelter residents as well as parenting support and guidance for the protective parent.

## 1. NATURE OF ACTIVITIES, Continued

## Advocacy Center Program

The Advocacy Center is a facility that offers essential supportive activities, resources and the community that survivors of domestic violence can utilize while in any of the Organization's programs and after they leave. The space contains computers for participant internet needs. There are rooms for counseling, community partner engagement, wellness activities, support groups, youth activities, youth advocacy, safety planning and developmentally appropriate activities. This program has been providing more housing case management, basic needs and financial resource support since the Pandemic.

## Volunteer/Intern Program

Raphael House of Portland volunteers are indispensable to the success of the Organization's programs. The volunteer program oversees and coordinates individual volunteers, including interns from local universities, who donate a substantial amount of time and perform a variety of tasks that support the Organization's program services, fundraising and administrative duties.

## Community Programs:

#### Prevention Education

Raphael House of Portland maintains a commitment to education and raising awareness in the community about the effects of domestic violence. Through outreach and educational programs, the Organization educates high school students, school staff and parents on the warning signs of intimate partner violence as well as their rights within all relationships. The Organization is also committed to raising awareness about domestic violence in the workplace so businesses and employees know their rights if they or someone they know is experiencing intimate partner violence.

## **Recovery Mentor**

The first of its kind serving survivors accessing any domestic violence program in Multnomah County, this survivor-led, peer support programming serves survivors who are struggling with addiction as they transition from violence into safety. Our Domestic Violence Recovery Mentors offer lived experience in both recovery and as survivors themselves, and are uniquely able to provide a wide range of specialized supports.

## Healthcare Advocacy

In collaboration with OHSU Richmond Family Clinic, Raphael of Portland provides a confidential advocate for patients accessing the clinic. This program provides resources, safety planning and advocacy for survivors in the safety of their doctor's office.

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Net Assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

- *Net Assets Without Donor Restrictions* Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.
- Net Assets With Donor Restrictions Net assets subject to donor- (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Support that is restricted by the donor is reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in net assets with donor restrictions, depending on the nature of the restriction and released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

## Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all highly liquid investments available for current use with maturities of three months or less at the time of purchase to be cash equivalents. Cash equivalents included in investments are considered investments.

#### Investments

Investments are carried at fair value. Donor-restricted investment income is reported as an increase in net assets with donor restrictions and classified according to the nature of the restriction.

## Grants and Contracts Receivable

Grants and contracts receivable are reported at the amount management expects to collect on balances outstanding at year-end. Based on management's assessment of the outstanding balances, it has concluded that possible future losses on balances outstanding at year-end will be immaterial.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Continued

## Pledges Receivable

Pledges receivable are reported at the amount management expects to collect on balances outstanding at year-end. If material to the financial statements, unconditional promises to give expected to be collected in future years are initially recorded at fair value using present value techniques incorporating risk-adjusted discount rates designed to reflect the assumptions market participants would use in pricing the asset. In subsequent years, amortization of the discounts is included in contribution revenue in the statements of activities. Management provides for probable uncollectible amounts for pledges receivable through a charge to expense and a credit to a valuation allowance based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts and pledges receivable.

#### Leases

The Organization determines if an arrangement is or contains a lease at inception. Under FASB ASC 842, *Leases*, a contract is (or contains) a lease if it conveys the right to control the use of an identified asset for a period of time in exchange for consideration. Control is defined under the standard as having both the right to obtain substantially all of the economic benefits from use of the asset and the right to direct the use of the asset. Management only reassesses its determination if the terms and conditions of the contract are changed.

Leases are included in right-of-use (ROU) assets and lease liabilities in the statement of financial position. ROU assets represent the Organization's right to use an underlying asset for the lease term, and lease liabilities represent the Organization's obligation to make lease payments. Operating lease ROU assets and liabilities are recognized at the lease commencement date based on the present value of lease payments over the lease term. The Organization has made an accounting policy election to use a risk-free rate in lieu of its incremental borrowing rate to discount future lease payments. Lease expense for lease payments is recognized on a straight-line basis over the lease term. The Organization's lease terms may include options to extend or terminate the lease when it is reasonably certain that the Organization will exercise the option.

The Organization does not report ROU assets and leases liabilities for its short-term leases (leases with a term of 12 months or less). Instead, the lease payments of those leases are reported as lease expense on a straight-line basis over the lease term.

#### Property and Equipment and Depreciation

Acquisitions of property and equipment of \$1,000 or greater are capitalized. Property and equipment purchased are recorded at cost. Donated assets are reflected as contributions at their estimated values on the date received. Depreciation of property and equipment is calculated using the straight-line method over the estimated useful lives of the assets which range from 3 to 15 years for equipment and 40 years for buildings.

# 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Continued

## Revenue Recognition

Revenues from various sources are recognized as follows:

Contributions: Contributions, which include unconditional promises to give (pledges), are recognized as revenues in the period the Organization is notified of the commitment. Bequests are recorded as revenue at the time the Organization has an established right to the bequest and the proceeds are measurable. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met.

Government Grants and Contracts: A portion of the Organization's revenue is derived from cost-reimbursable grants and contracts, which are conditional upon certain performance requirements and/or incurring allowable qualifying expenses. Amounts received are recognized as revenue when the Organization has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advances in the statement of financial position. The Organization has been awarded cost-reimbursable grants of approximately \$187,000 for the period through September 30, 2025 that have not been recognized at June 30, 2024 because qualifying expenditures have not yet been incurred. The Organization has received \$62,012 and \$194,603 in advances on these grants as of June 30, 2024 and 2023, respectively.

Special Events: The Organization records special events revenue equal to the fair value of direct benefits to donors, and contribution income for the excess received when the event takes place. Sponsorships are recorded as revenue at the time of commitment unless commensurate value is included as part of the agreement. The portion of sponsorship revenue that relates to commensurate value the sponsor received in return is recognized when the related events are held and performance obligations are met. The commensurate value of sponsorships is included in deferred revenue and totaled \$15,000 at June 30, 2023.

Donated Assets, Materials and Services: Donations of property, equipment, materials and other assets are recorded as support at their estimated fair value at the date of donation. Such donations are reported as support without donor restrictions unless the donor has restricted the donated asset to a specific purpose.

The Organization recognizes donated services that create or enhance nonfinancial assets or that require specialized skills, and are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Continued

## Functional Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of activities and in the statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited. The expenses that are allocated include occupancy and depreciation, which are allocated on a square footage basis, as well as salaries and related costs, supplies, office expense, insurance, and other, which are allocated on the basis of time and effort.

## Income Tax Status

The Organization is a nonprofit corporation exempt from federal and state income - tax under section 501(c)(3) of the Internal Revenue Code and applicable state law. No provision for income taxes is made in the accompanying financial statements, as the Organization has no activities subject to unrelated business income tax. The Organization is not a private foundation.

The Organization follows the provisions of FASB ASC Topic 740 Accounting for Uncertainty in *Income Taxes.* Management has evaluated the Organization's tax positions and concluded that there are no uncertain tax positions that require adjustment to the financial statements to comply with provisions of this Topic.

## Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### Summarized Financial Information for 2023

The financial information as of June 30, 2023 and for the year then ended is presented for comparative purposes and is not intended to be a complete financial statement presentation.

# Subsequent Events

The Organization has evaluated all subsequent events through January 22, 2025, the date the financial statements were available to be issued.

## 3. AVAILABLE RESOURCES AND LIQUIDITY

The Organization regularly monitors liquidity required to meet its operating needs and other contractual commitments, while also striving to maximize the investment of its available funds. For purposes of analyzing resources available to meet general expenditures over a 12-month period, the Organization considers all expenditures related to its primary operations to be general expenditures. It excludes financial assets with donor or other restrictions limiting their use.

Financial assets available for general expenditure consist of the following at June 30, 2024 and 2023:

	2024	2023
Cash and cash equivalents	\$ 195,609	\$ 331,438

## 7. LINE OF CREDIT

The Organization holds a \$250,000 unsecured line of credit with a bank. Interest is payable monthly on outstanding advances at an adjustable rate corresponding to the Prime Rate plus 1.7% and 3.1% at June 30, 2024 and 2023, respectively. The line matures March 2027. There were no advances on the line at June 30, 2024 and 2023.

#### 8. CONTINGENCIES

Amounts received or receivable from various contracting agencies are subject to audit and potential adjustment by the contracting agencies. Any disallowed claims, including amounts already collected, would become a liability of the Organization if so determined in the future. It is management's belief that no significant amounts received or receivable will be required to be returned in the future.

#### 9. BOARD-DESIGNATED NET ASSETS

The Organization's board-designated endowment funds totaling \$107,427 and \$96,561 at June 30, 2024 and 2023, respectively, consist of the following funds:

The Organization established a board-designated endowment fund in the name of Morgan Dufault. Endowment funds are available for youth programs. Balances total \$48,658 and \$43,327 at June 30, 2024 and 2023, respectively.

## 9. BOARD-DESIGNATED NET ASSETS, Continued

The Organization also has a board-designated endowment fund with Oregon Community Foundation (OCF) established as the Raphael House of Portland Endowment Fund of OCF. The Organization's fund is pooled with other assets managed by OCF which are invested in a mixture of equities, fixed-income instruments, alternative investment classes, and cash, which are reflected at fair value. Under the terms of the agreement, variance power has been granted to OCF, however, the Organization is the beneficiary of the fund and the transfer is reciprocal in nature. Also under the terms of the agreement, OCF shall distribute not less than annually, a percentage of the fair value of the fund as determined by the board of directors of OCF. However, in no event will the percentage be less than a reasonable rate of return. The beneficial interest in assets held total \$58,769 and \$53,234 at June 30, 2024 and 2023, respectively.

OCF may make additional distributions from the fund to the Organization upon a majority vote of all of the directors of the Organization, if, in the sole judgment of the board of OCF, the requested distribution is consistent with the objectives and purposes of the Organization.

See Note 12, Endowment.

#### 10. NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions consist of the following at June 30, 2024 and 2023:

	2024	2023
Net assets with expiring donor restrictions:		
Endowment earnings (Note 12)	\$ 47,265	\$ 24,538
Emergency Shelter	63,605	91,608
Recovery Mentors	21,604	21,604
Workforce stabilization	59,683	-
Other purpose restrictions	15,765	1,374
Time restrictions	 50,000	 30,000
Total net assets with expiring donor restrictions	257,922	169,124
Net assets with perpetual donor restrictions:		
Endowment (Note 12)	160,000	 160,000
Total net assets with donor restrictions	\$ 417,922	\$ 329,124

## 11. CONTRIBUTED NONFINANCIAL ASSETS

The Organization received the following contributions of nonfinancial assets for the years ended June 30, 2024 and 2023:

	 2024	 2023
Materials and goods included in program services	\$ 96,975	\$ 117,226
Professional services, included in management and general	 	 3,373
Total donated assets, materials and services	\$ 96,975	\$ 120,599

The Organization received supplies that are restricted for use within designated programs. Donated supplies are recorded at fair value and are used to support programs and operations. Fair value is based on the current cost to acquire the supplies and the sales price of comparable supplies. The Organization received contributed professional services related to technology and program support. These services are used to support operations. Contributed professional services are recorded at their estimated fair value using current market rates from similar vendors and comparable professionals.

In addition, many individuals volunteer a substantial amount of time and perform a variety of tasks that assist the Organization with specific assistance programs, campaign solicitations and administrative duties. These volunteer services, representing approximately \$25,600 and \$32,200 for 2024 and 2023, respectively, are not recognized as contributions in the financial statements since the recognition criteria for donated services were not met.

#### 12. ENDOWMENT

The Organization's endowment consists of funds established for long-term support of the Organization. Its endowment includes both donor-restricted endowment funds and funds designated by the Board of Directors to function as an endowment. As required by U.S. generally accepted accounting principles (GAAP), net assets associated with endowment funds, including funds designated by the Board of Directors to function as an endowment, are classified and reported based on the existence or absence of donor-imposed restrictions or session designations.

## Interpretation of Relevant Law

The Board of Directors of the Organization have interpreted Oregon's Uniform Prudent Management of Institutional Funds Act (UPMIFA or the Act) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary.

## 12. ENDOWMENT, Continued

## Interpretation of Relevant Law, Continued

As a result of this interpretation, the Organization classify as net assets with perpetual restrictions (a) the original value of gifts donated to the perpetual endowment (b) the original value of subsequent gifts to the perpetual endowment and (c) accumulations to the perpetual endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.

The remaining portion of the donor-restricted endowment fund that is not classified as net assets with perpetual restrictions is classified as net assets with expiring restrictions until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by the Act.

In accordance with UPMIFA, the Organization consider the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the endowment funds
- (2) The purposes of the Organization and the donor-restricted endowment funds
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of the Organization
- (7) The investment policies of the Organization

Endowment net asset composition by fund type is as follows as of June 30, 2024 and 2023:

	Without			With Donor

Balance, June 30, 2024	\$	107,427	\$	47,265	\$	160,000	\$ 314,692

## Fund with Deficiencies

From time to time, the fair value of assets associated with the donor-restricted endowment fund may fall below the level that the donor or the Act requires the Organizations to retain as a fund of perpetual duration. In accordance with U.S. generally accepted accounting principles, deficiencies of this nature are reported in net assets with expiring restrictions. There were no deficiencies at June 30, 2024 and 2023.

#### Return Objectives and Risk Parameters

The Organization has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the Organization must hold in perpetuity or for a donor-specified period(s) as well as Board-designated funds. Under this policy, as approved by the Board of Directors, the endowment assets are invested in a manner that is intended to produce results while assuming a moderate level of investment risk.

#### Strategies Employed for Achieving Objectives

To satisfy its long-term rate-of-return objectives, the Organization rely on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Organization has adopted an asset allocation strategy that results in an acceptable risk and return profile while also providing and acceptable probability of achieving the investment objectives over the long-term.

Spending Policy and How the Investment Objectives Relate to Spending Policy The Organization has not yet established a spending policy and will do so once asset balances reach a sufficient level.

#### 13. FAIR VALUE MEASUREMENTS

Assets and liabilities recorded at fair value in the statements of financial position are categorized based upon the level of judgment associated with the inputs used to measure their fair value. Level inputs are defined as follows:

Level 1: Unadjusted quoted prices in active markets for identical assets and liabilities.

Level 2: Observable inputs other than those included in Level 1, such as quoted market prices for similar assets or liabilities in active markets, or quoted market prices for identical assets or liabilities in inactive markets.

Level 3: Unobservable inputs reflecting management's own assumptions about the inputs used in pricing the asset or liability. Level 3 assets and liabilities include financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair values requires significant management judgment or estimation.

Fair values of assets measured on a recurring basis at June 30, 2024 and 2023 are as follows:

	Fair				
	Value	Level 1	Level 2	Level 3	
June 30, 2024					
Money market funds	\$ 236,152	\$ 236,152	\$ -	\$ -

Total fair value assets	\$ 3,145,481	\$ 1,450,227	\$ 1,642,020	\$ 53,234	

## 13. FAIR VALUE MEASUREMENTS, Continued

Fair values for fixed income, equity securities and mutual funds are determined by reference to quoted market prices and other relevant information generated by market transactions. Investments in certificates of deposit are based on the certificates stated interest rates.

Investments held at OCF in pooled funds are valued at the net asset value per unit as provided by OCF trustees. Net asset value is based on fair value of the underlying assets of the funds using quoted market prices when available determined using a market approach. Quoted market prices are not available for certain alternative investment classes, such as limited partnership investments. The valuations for limited partnership investments are based on the net asset value of OCF's ownership interest in the partners' capital which includes assumptions and methods that were prepared by the general partners of the limited partnerships and were reviewed by OCF.

Assets measured at fair value on a recurring basis using significant unobservable inputs (Level 3 inputs) include:

Beneficial interest in assets held by OCF:

	2024		2023	
Beginning of year	\$	53,234	\$	50,302
Change in value (reported in net assets				
without donor restrictions)		5,535		2,932
Ending balance	\$	58,769	\$	53,234

#### 14. RETIREMENT PLAN

The Organization has a SIMPLE IRA plan (the Plan) that is available to all employees. Participants are eligible for an employer match of their contribution up to 3% of their gross wages. The percentage is established annually by the Board of Directors. The matching percentage established by the Board was 3% in calendar years 2024 and 2023, Employees may contribute the maximum amount allowed by IRS regulations. For the years ended June 30, 2024 and 2023, the Organization's contributions to the Plan totaled approximately \$74,200 and \$59,700, respectively.

#### 15. FINANCIAL INSTRUMENTS WITH CONCENTRATIONS OF CREDIT RISK

Financial instruments that potentially subject the Organization to concentrations of credit risk consist primarily of cash balances, investments, pledges and accounts receivable. To limit credit risk, the Organization places its cash and cash equivalents with high credit quality financial institutions. The balances in each financial institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At times, balances may exceed insured limits.

Government grants from two agencies represent 40% and 51% of total support and revenue for the years ended June 30, 2024 and 2023, respectively.

Investment securities, including investments held by OCF, are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of financial position.

#### 16. RELATED PARTY DISCLOSURE

The Organization engaged in business transactions with companies or organizations where board and committee members are employees or owners. Transactions included, insurance, repair services, use of space for meetings and legal services. These transactions occurred in the normal course of business or were provided in-kind.
